ON A TITTY TIP!

Mercy me, Mikayla! Ms. Mendez' mams look like they're not entirely the work of nature, but I'm not about to hold that against her. Not when they're so freaking gorgeous. If she wrapped those knockers around my head while I slobbered all over her cleavage, would I be contemplating the superlative technical expertise behind their manufacture? Hell no. I prefer to live in the moment – ideally, in a moment between a great big pair of tits. That's how it went the time I was lucky enough to fuck a busty Latina honey very much like Mikayla.

The details of how this chick and I got together don't matter. It's the actual sex I remember best anyway. I recall the way we initially fucked – me sitting on her couch, and her sitting on my lap, her head thrown back in ecstasy. With each urgent thrust of my cock into her sweet, hot cunt, her bronze-hued breasts bounced. Juana – that was the lady's name – whispered to me in

With each urgent thrust of my cock into Juana's sweet cunt, her bronze-hued breasts bounced

her soft, sexy Mexican accent that I made her feel like a real woman, and that made me feel like a real man.

Clutching Juana's plump asscheeks, I pushed her further into me, and lavished drooling kisses on those fabulous jiggling jugs. So inviting, so softly swelling, so loaded with deliciousness, Juana's rack was like the top shelf at the bakery. With my nose squashed into her quivering cleavage, and her pussy walls hugging my pistoning prick, I felt so close to Juana I'd practically melded with her; our once separate bodies now fused into a single entity fucking itself. And yet I was still knocked out by

those knockers (not literally knocked out, of course, although, come to think of it, I probably came close).

After a while Juana and I moved onto the bed, where we resumed fucking in the

missionary position, and once more I was transfixed by her undulating tits, not unlike a couple of fried eggs pitching about on ocean waves. Trying to plant kisses on her revolving aureoles was like bobbing for apples. But although it was tricky, that didn't stop me giving it my best shot. My mama didn't raise no guitters. Hooter Guy here would happily walk over burning coals for even the teeniest taste of titty!

"¡Mas, mas, mas!"
exclaimed Juana in her
native Spanish, and
although I'm no linguist,
even I know that means
"More!" And thanks to
her tits, I was in an
obliging mood. To fuck a
hot woman feels so
fantastic in itself, I
can't explain why
watching her knockers
wobble all the way
through it makes the
experience twice as nice,

but that's the way it is. It's one of the mysterious wonders of life. And so it was that when I came, I came a bucketload. Mammary Man, New Mexico.

"If the sex is rough and intense, I want the cum on my face!" Thus spake Mikayla Mendez in April's CI, and good for her! That's how I like to hear my porn stars talking, even away from a movie set – straight-up dirty; no bullshit. Rough and intense? Cum on her face? I'm all about it, and Ms. Mendez could do a lot worse than give yours truly a booty call sometime. I gather she lives in Burbank, California, not far from me in Van Nuys. With incentive, good luck and a tailwind I could probably get to her place within an hour of her reeling me in on her line. I'd even bring some beer in a cool box with me. That, and a ball sack loaded with spunk with which to whitewash Mikayla's pretty face. I've got it covered. And I could have Mikayla covered too. Sprayin' Froth, California.

eez, babe, I so love your tits. Here, let me So says blonde Brea Lynn to dusky Sunny Leone, who replies, "Gotta get a taste of your sweet pussy," before moving in to do just that. Yes, at this sex star summit meeting, things seems to be going quite well. It's a rare treat to catch these ladies together. Hardly the most prolific of porn performers, both girls only make the classier, high-end productions, mostly by Sunny's a star contract girl. One such movie is Sunny's vehicle Undress Me, on which we report on page 46. But we digress...

"Gosh, honey, you fuck me so good..." That's Brea.

And here's Sunny: "Do unto others, and all that. It's my turn next, sweetie!"

Brea and Sunny. Stars, yes. Prima donnas, no! ♣

NASTY GIRLS, WILD MOVIES AND WEIRD SHIT! BROUGHT TO YOU BY THOMAS NEWTON

BAM GOES GINA!

Bam Margera, the skateboarder, stuntman and professional prankster best known for his antics on *Jackass*, makes an appearance, along with his crew, in Gina Lynn's *The Fantasstic Whores 4*. According to Travis Knight, Gina's husband and the movie's producer, this is the first adult movie Bam's made – and he enjoyed the experience. "One of the scenes we shot at Bam's indoor skate park," Travis said. "They

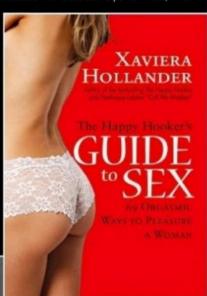

were doing skateboarding tricks all around while this couple were having sex, going over the top of them! Another scene we did, Bam and a bunch of the guys were playing paintball. There was a blowjob [on a Margera sidekick] and a boy/girl sex scene during the paint war. People were getting shot - it was pretty cool." Travis said there was "a lot of behind-the-scenes craziness, like these guys shooting themselves with paintballs, just the Jackass stuff that they do." But could you jerk off to that? You'll certainly have fun finding out! •

GET HOOKED!

Xaviera Hollander has been writing about sex for decades, having penned a long-standing column, Call Me Madam, and over a dozen books, including the bestseller The Happy Hooker. For her latest offering, The Happy Hooker's Guide to Sex: 69 Orgasmic Ways to Pleasure Your Woman, Xaviera has drawn on her experience as a madam in the call girl trade. In the book, co-written with her business partner Katje van Dijk, Xaviera has included her best sex tips for men, with

chapters including "Practice Verbal Bondage, "Pleasure Her With her Own Toys" and "Make Home Movies." Published by Skyhorse Publishing, the book is available at fine retailers around the world. Can you afford not to read it? 💠

WICKED WEEKEND!

They call it the "party of all parties," a claim that, despite its boldness, is hard to dispute. Thousands show up for the annual San Francisco event that occurs in the last week of October, culminating in the fabled Exotic Erotic Ball. At the most recent Ball, held at Treasure Island, the fetish/fashion crowd were out in force to enjoy entertainment provided by Tone Loc, Chuck Nutt, burlesque artists the Porcelain Twinz, Danny Bonaduce, Howard Stern Show regular Eric the Midget and adult superstar Sunset Thomas, among countless others.

As event founder Perry Mann said, "This is a weekend when you can forget about your cares. It's a great party." He said it!

FUCK TERA!

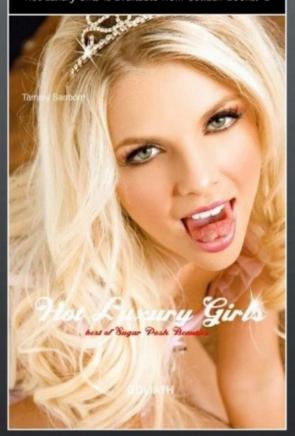

As she continues her campaign to be the face of the adult industry, Tera Patrick has signed a deal with Fleshlight to make a custom mold of her most sacred of spots available to all her fans. "It turned out amazing," Tera said. "What a turn-on. Now everyone can experience me in a way never before possible. Fleshlight really is the next best thing to being there." Tera's Fleshlight foofoo comes in two textures: Lotus, which mimics the feel of vaginal intercourse, or Twista, which has an internal spiral of raised ribbing. Each carries a price tag of \$79.95.

Said Evan Seinfeld, president of Teravision, "We feel that with Fleshlight we finally have found a superior product that will allow Tera to give fans a fantasy experience unparalleled in any market." Evan, as Mr. Tera Patrick, knows what it's like to fuck the real thing, so if he says the product's good, you know it's gotta be! Check it out at www.fleshlight.com.

PENNY FLAME HOT STUFF!

A TON OF FUN EVEN ON THOSE RARE OCCASIONS WHEN SHE'S WEARING CLOTHES, PENNY'S BLAZING!

upremely sexy porn slut of seven years' standing, five-time AVN award winner, porn director, CI covergirl, advocate for the legalization of dope, painter – Penny Flame's accomplishments are considerable. A self-confessed nympho, and a feisty one to boot, it's impossible not to like Ms. Flame. She's a complex, sassy and articulate lady, and a born performer. Penny let our roving reporter Eliza Starr into her world when the two had the following chat, and Eliza was very impressed with what she heard and saw. Take it away, ladies...

respond to the director, at which point Jana looked down at me and cooed with that sexy Czech accent, "Penny, don't talk with mouth full." I've had a huge lady crush on her ever since.

Were your always a dirty girl, or did your

Were you always a dirty girl, or did you get more sexually adventurous through the industry?

I've always been a filthy whore. Filthy, filthy, filthy. Once I lost my virginity, I proceeded to take all my homeboys', and help usher my girlfriends into the fantastic sexual arena I placed myself in.

Goodie! We love a filthy whore who's willing to tell us all about it. Let's start with exhibitionism.

I've always liked sex in public.
Sex where people can watch
and participate if they so
choose. When I was younger
I had this boyfriend who
went away to school, and
every time he'd come home,
I'd pick him up at the
airport. Guaranteed we never
made it home before we
fucked. Sometimes we
didn't even make it out of
the airport parking lot!

Are you a voyeur too?
Yes. I love to watch. In fact, with the last guy I dated, we went out looking for a chick to bring home and fuck, and I told him I just wanted

to watch for the night,
maybe fuck him after.
When he told the chick
we'd been hitting on
what I said, she
freaked out and left.
She actually got
pissed at me.
Like I'd done

CI: Penny, how did you get your start to becoming one of our favorite nasty girls?

Penny: I was a freshman in college, and

Penny: I was a freshman in college, ar realizing that it's virtually impossible to survive on a coffee barista salary, I started looking through the school paper for new jobs. I found an ad reading "+18/internet/\$\$\$," and responded. I started doing small jobs here and there, and one day an agent showed up on set and asked to represent me.

What was your first scene like?

My first hardcore sex scene was with Tyler Durden. It was a mediocre scene, to be honest, and I prefer to think of my first girl/ girl, which had occurred two and a half years previously, with Jana Cova, as my first hardcore scene. We were getting down, taking our sex stills, and the director was trying to tell me something. So, with my mouth still on Jana's boob, I tried to

INTERVIEW

something wrong by offering her the dick that I intended sucking for the night. Fucking bitch. Whatever.

How rude! I'd never turn down a gifted dick, especially one from you!

I know, but you're a greedy bitch who'd never turn down an easy fuck – that's why I love you!

Right back at ya, you sexy whore! Other than me, what type of person do you go for, sexually?

Strong, assertive and successful men and women make me crazy. I love people who know who they are, and what they stand for. I love a man who can be honest about his feelings for me, and a woman who isn't envious of any man I fuck. Basically I love both men and women, but they have to be strong, independent souls, who stand up for what they believe in, and then go out and fuck.

What turns you on, excites you?

Life. Being alive. Doing things we aren't supposed to do. Saying what is really on our minds. Smiling and laughing, crying and screaming. Every part of every day I get to spend on Earth, I'm turned on, and excited to be here.

And what turns you off?

Arrogance, stupidity, ho's over bro's shit, you know. Standard douche-bag activity.

Who do you think gives better head - men or women?

Women. Women give women better head, and I'd bet that men give men better head. I mean, it's like nobody gives you a better handjob than yourself, right? Well, it should follow that you give better head if you have the same parts and know what it feels like. But I have had a couple of guys blow my mind down there.

Please tell me your favorites to work with so I can find them.

I'm a big whore, and I like working with everyone. Favorite guys? Tommy Byron, Justice Young, Alex Gonz, Derrick Pierce, Rocco Reed, the list goes on. Ladies? I love all the girls, so this is hard. Umm... Lexi Belle, Belladonna, any of the Vivid girls, Stormy Daniels, girls girls girls. I have the biggest girl crush on Stoya, and hope to have her soon, whether or not Robbie D is there to catch it on camera.

Is there anyone else you'd like to work with that you haven't had yet?

Chris Johnson. I can't wait to fuck him. We've known each other a little over a year, and the sexual tension has been building. Very sexy. It'll be explosive when we finally do fuck, which we definitely will, even if I have to hire him myself.

INTERVIEW

➤ You're doing some directing so you can if you need to!

Oh yeah. Directing is pretty much the shit. I don't know if there's a better job than telling people to do nasty things, while you do them yourself. In most of my directing gigs - like for Bang Bros. and Shane's World I'm in the scene while I'm directing it. We have a ton of fun. For Bang, I've been co-directing with Justice Young for a site called www.fuckteamfive.com, where we go into LA looking for civilian dick, which we always find. In the last one we did we dressed up like LA gangsters and played craps while we hunted for the D. For the next one we're heading to Beverly Hills. Fucking great. My Shane gig is pretty much the dopest gig ever. Literally. I take a bunch of friends and we go hunting for weed. The series is called Blazed and Confused, and I just got approved for a trip to Acapulco to find that bomb Acapulco Gold. Its going to be retarded fun, and I still can't believe I got a company paying me to travel the world in search of bud. Awesome.

Also, I've been directing for Vivid-Ed for the past year. We just released my Expert Guide to Handjobs. The second is an Expert Guide to Rough Sex – I think it'll be huge. It's some hot fucking educational shit.

Do you like to masturbate.

I'm a chronic masturbator. I masturbate at least four times a day. It's almost an obsession. I masturbate before a scene, after a scene, and occasionally during the scene. Basically I love to cum, and like to do so at least eight times a day – twice per masturbatory session. I love toys. Big fan of Hitachi's Magic Wand, big fan of handheld vibrators that can be used while we fuck. Huge fan of glass toys, especially ones with clear bottoms, so you can see inside the girl while you fuck her. Very sexy.

Do you cum easily in your scenes?

Yes, it's easy to make me cum, and once I start, I'm like a faucet. Nonstop until we're done. My favorite position is missionary. Sorry, I don't really care for doggie. I like looking at people while I fuck 'em. When I'm doing a scene, I am present, like the Earth has stopped rotating and our sex is the only thing on it moving, the only thing that matters.

Where do you like to take the cumshot?

I like to receive it on my pretty freckled face. I like the taste of most guys' cum, except for guys who don't drink enough water, or guys who have been out drinking booze all night. Eat tons of pineapple if you want to bust on my face, or in my mouth.

Have you learned anything new from working in this industry?

I've learned how to separate sex and love. I've grown confident in myself as a

➤ performer and especially as a woman. I've become accustomed to open relationships, and sharing partners. I've accepted that there are people you have great sex with, and people you just have sex with, and none of it means anything as far as how much the person means to you. I'm comfortable with my feelings regarding sex, life, and personal relationships. Being in the adult industry has opened me up like a shrink, and I got to bust a couple of nuts in the process.

Do you have any boundaries?

I am a dom through and through, so it's very hard for me to be submissive. I'm never submissive with women, and very rarely with men. I don't like my ass or my pussy smacked, but I don't mind it on my face and tits. If you try and stick anything in my ass I will cut off your balls and wear

them like a necklace. But other than that I'm pretty open.

Does dick size matter?

It matters a little bit. I don't like guys who look like they grew up next to a power line, fucking freaks with huge cocks that can reach up inside me and tickle my heart. But then I don't care for guys with pinky fingers either. Basically, if you're between five and eight inches, you're a picture of perfection. And if you aren't, man, you better know how to lick pussy really well, 'cause you're gonna have a ton of warming up if you're going to get to the grand finale.

How many cocks can you handle at once? One at a time please. Line up behind the red line, and make sure you take a number when you walk through the door. You'd hate to get tossed to the back of the line!

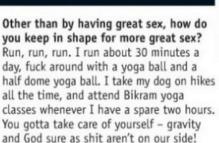

So tell us about the blowjob that awaits at the front of the line...

Messy, messy, messy, with lots of hands, and eye contact. The messier the BJ, the better. I give head that curls toes, frizzes hair and wrecks make-up! By the time we're done, your whole lower half will be covered in spit, my face will be smeared with mascara, and we'll both be ready for some great sex.

I bet. And, in your opinion, what is great sex?

Sex in which you're honest and passionate. Sex in which it is almost impossible not to look in your partner's eyes when he/she orgasms. Sex where you're covered from head to toe in sweat and cum, and sex that smears my make-up across my face and your pillow. Sex that leaves you winded. Sex that leaves you drunk.

Have you experienced any unusual encounters with any of your fans?

The fans are all really polite, actually. I think most guys are nervous, and don't want to offend you, so everyone is on best behavior. Except me. I was in Munich at Oktoberfest, dancing on the table in a Bavarian farm girl outfit with a huge beer mug, when this guy recognized me. He asked if we could take a picture together and I said sure, jumped into his arms, and

"THE MESSIER THE BJ, THE BETTER. I GIVE HEAD THAT CURLS TOES!"

proceeded to lick his face the whole time we took pictures. From chin to hairline, full tongue. Man, those were good times. Fucking crazy Germans and their beer-fest.

How can your fans get in touch with you? You can get in touch with me a couple different ways – it all depends on what you want from me. I love to write, and a couple weeks ago, I created my own blog and posted all my journal entries from last year. If you want to read what I have to say and comment on it, hit up www.MyHotMess. com. If you want to talk to me live, you can go to www.PennyCamZ.com, and if you want to check out my website at www. PennyFlame.com. I've had my MySpace

e-mail set on gone for a cool minute now, but you can hit up my comment page and I'll hit ya back.

Future plans? Upcoming releases?

Life is my future plan. I'm trying to live it. Sometime soon I'd like to move to Europe for a month or two. I just returned from a huge trip out there, and fell in love with the streets, the lights, the languages. I'd like to rent a flat in Paris for about a month, and then another in Barcelona for another month. I'm going to do my webcam shit at www.PennyCamZ.com, and website shit at www.PennyFlame.com, and begin a book that I've dreamed of writing.

Look out for Penny Flame's Expert Guide to Rough Sex, and new FuckTeamFive updates and Blazed and Confused Acapulco Gold.

Also, Joanna Angel and I are campaigning to host the AVN awards show in 2010.

We're asking all our loyal fans and friends in the industry to sign petitions demanding AVN give over the microphone. We'll be handing out buttons and shirts, and organizing peaceful demonstrations.

Stay tuned. It's going to be dope! •

VIVID ENTERTAINMENT GROUP'S

UNDRESS ME

WHEN PORN STARS ARE GETTING IT ON, OUR GIRL EMMA EDWARDS IS GETTING IT ALL DOWN! HERE'S HER LATEST REPORT...

on pleasing your peepers and teasing your tool with a sultry striptease that leaves her clothing strewn about all over, and your cock as hard as a rock. This is the scenario that devilishly decadent director B Skow has put together for Vivid Entertainment in his latest cinematic endeavor, Undress Me, starring the lovely Sunny Leone. In this movie, he recreates the greatest seduction fantasy by having a slew of lovely ladies seduce you, the viewer, exactly as they would if they were personally entertaining you on their home turf. So come on along. Legs have been opened, and we've all been cordially invited to attend the ultimate house-warming party, where the hostess promises to deliver more than just nibbles and cocktails.

Upon entering the party, I'm met by the sight of Sunny Leone running her hands up and down the curves of Sochee Mala's hot Latina ass. Sochee naturally bends into Sunny, arching down on her elbows until her shaven snapper blossoms and blooms.

"What a beautiful pussy for me to fuck," Sunny remarks, licking her fingertips and teasing the lid of Sochee's slit until the latter begs for penetration.

UNDRESS ME

STARRING: Sunny Leone, Faye Reagan, Jada Fire, Ryder Skye, Sochee Mala, Dane Cross, Voodoo, Ariel King

DIRECTED BY: B Skow

"Pleeeassse," Sochee murmurs, eventually bucking her hips to and fro once Sunny begins to stuff her full of fingers and an aqua blue dildo.

"Say you like it or I'll stop," Sunny teases, flipping Sochee onto her back to get a better sampling of Sochee's salsa once her pussy-soaked fingers and toy have been sucked clean.

"Finger-licking good!" Sunny giggles.
Holding her legs back at the ankles,
Sochee allows Sunny all the pussy she can
handle in one sitting.

"Deeper, baby! Deeper!" Sochee screams, with Sunny stamping down on the stems of her high-heel shoes to get a more solid connection with the floor. Funnily enough, Sunny's face is hidden from us onlookers for a solid five minutes until she finally resurfaces with slippery wet lips and a smile that says it all. Then, at director B's hollered command, Sunny switches positions with Sochee on the checkered sofa in a perfect fluid motion.

"DO YOU THINK I LOOK SEXY?" JADA ASKS ME, THEN INSISTS ON STRIPPING FOR ME

Enjoying the flickering treatment she's getting from her galpal's active tongue, Sunny screams, "Fuck, you're good at that!" Then Sunny wiggles around, taking up handfuls of Sochee's silky black hair as she carries on feasting. "More, I need more!" Sunny continues.

Completely focused on the slit stew being churned between Sunny's thighs, I barely even realize that stud Ariel King has glided onto the set with his cock in his hand until he interrupts the action by saying, "It's time for beef." After gorging on twat, Sunny switches her attention over to the newcomer, and proceeds to suck his cock hard until her cum-soaked mouth is every bit as wet as her spit-saturated snatch.

"Now that's how to make a movie," B laughs, walking off set with a smile.

But it's not long before we're back in action, in a modern-styled bedroom. This time it's Jada Fire who's up to bat. She's into the seduction from the start, looking like a walking felony with a black lace bra that barely covers her monster tits, and a matching skirt that sits well above the lower edge of her juicy buns.

"Do you think I look sexy?" she asks me. Then, laughing at my total inability to respond coherently, she insists on stripping for me, purely for the pleasure of watching me shake and squirm. In a style all her

ON SET

own, Jada begins to hum a delightful tune while running her hands over the diamond-studded necklace resting on her stomach, and biting her lips. The room becomes completely silent once she opens her legs wide to show us the gorgeous black beaver that's mere minutes away from being stuffed.

Voodoo enters the room stroking his cock. He stands behind me, watching Jada's chocolate-colored body writhe against the creamy sheets, until he loses control and throws her down across the bed. Reluctant to interrupt the natural connection between the two, B lets them go nuts on each other. "Have at it," he says under his breath.

Voodoo goes straight for Jada's pussy by pulling her legs open and spitting a wad into her slit. "Come and get it," she teases, peeling her coochie lips open like she's unwrapping a present, to reveal the warm pink surprise waiting inside. Like metal to magnet, Voodoo connects to Jada's juicy hole, which he begins to fuck with lightning speed and precision. Unable to catch her breath Jada screams, "Ahhh! Ahhh shit!" as her pussy bubbles over with streams of creamy cooze paste.

"Damn this is good – this is real good," Voodoo declares, just as Jada disconnects and reattaches herself on top of his thighs in reverse cowgirl.

"It's my turn!" she loudly announces, passionately banging her body up and down Voodoo's pecker until hot sprays of spunk start to fly in every direction!

Obviously turned on by Jada and Voodoo, Sunny's anxious to get her hands on some more cock, which she happily does in the next scene when Ariel comes back out to play. Although she starts her striptease slow and sweet, pulling up the hem of her

purple dress to reveal her pantyless crotch, she soon stops and says, "I don't even want to play this game. All I want to do is just bang, bang, bang!" We all laugh, and then Ariel pops his cock into Sunny's mouth for the second time today. That's when our raven-haired heartthrob goes right into action, grabbing the base of Ariel's cock to work his shaft across her pink tongue before wrapping her lips around the head and sucking her way down.

"You know how I like it," Ariel whispers, rising up on his tippy toes to get the full benefit of Sunny's mouth.

Oh yes – Sunny knows! Soon the lady's spread out enticingly across the silky scarlet sheets. Ariel secures her legs around his shoulders, and jabs her pussy. She whimpers with delight upon each insertion, and glides her hand below the action to strum Ariel's balls like they're harp strings while he continues to pump.

"Make me creamy," Sunny pleads, rolling onto her knees and playfully wiggling her ass back and forth. Obediently, Ariel grabs her hips, and begins to pork the princess once again with even more sexual fervor than before. "Harder, harder, harder," she yelps as he helps to nurture her first orgasm – and then her second! After a few more hot positions, the scene ends with an explosion of cum over the satisfied snatch of a panting princess who's been ravaged from head to toe.

Before my day comes to a close I'm treated to the ultimate surprise when my favorite porn star, Faye Reagan, comes out to strut her hot, puffy-nippled stuff over a black leather sofa. Everyone in the room is instantly turned on when she appears in grungy rocker-styled cut-off shorts, a concert T-shirt and old school moccasin boots. It's a radical departure from her familiar glamorous image. Faye's not about to explain her makeover as she begins to sway her hips and pull her T-shirt fabric tight over her perfect tits until their forms become clearly visible. She slowly pulls up her shirt to give us tiny glimpses of her gorgeous nipples, cooing at our lamebrain reactions to those pearly points. Once her shirt is off, she brings her ripe cantaloupes up to her mouth for a little tongue-tickle, then tears off her shorts revealing a

fantastic pair of thong panties bearing the motto, "I Fuck on the First Date." Damn, we like this girl!

"Dane Cross. It's all you, buddy," B directs, whereupon Dane grabs Faye's gorgeous face and plants his tongue seemingly down her throat. She opens her mouth wide to accept his kiss, then lowers herself down onto her knees to become better acquainted with his

cock. Once level with his bone, Fave siphons it into her throat, and even manages to get in a few tongue swipes of his ball meat as she continues to take him down to the belly. Having performed an slobbery mouth from his salami to take in a few healthy gulps of air. He licks the saliva from her face and settles down with her on the sofa in spoon.

"Of course. Don't I always?" Dane replies, fucking Fave hard until her chest becomes just as blotchy as the adorable patch of freckles across her cheeks.

"Yes, baby!" she exclaims as he makes good on his promise. "Now, let's do my favorite," she continues, this time bending over in his face in doggie to get her pussy poked. Again he makes her cum, vigorously, before pulling out to feed her dollops of his thick gravy.

'Damn, that was really hot!" B announces to the room.

With Ryder's tongue up top and Ariel's dick down below,

Sunny's covered!

Although my time at the party ends here, there's still another scene - featuring Ariel, Sunny and Ryder Skye - shooting early the following morning. Sadly I won't be able to see it, but after what I've witnessed today, and knowing Sunny's penchant for sex, I'm sure we can all expect great things. In fact, I guarantee it! So my friends, the torch has been passed. It's your turn to be seduced by your favorite porn star when you pick up a copy of Undress Me and let the good times roll! INSUNGARD

hey're the babes who don't win all the awards, the chicks who don't get the magazine and DVD box covers. They're the unsung porn stars who always get our wad with their tireless tool-handling and peerless pussy-petting. When you get a DVD full of shitty camera angles and unenthusiastic newbies who look like they'd be happier serving you a burger, these are the girls who'll pop up with a scene that's like a ray of sunshine breaking through on a cloudy day. Here, Club International pays tribute to the porn sluts we can always turn to when times are hard — to make our dicks even harder...

Velicity Von

for her many tit-fucking scenes. And we really like that she's recently started doing anal scenes. Mostly we like just how fucking amazing she looks when

getting fucked, her face taking on a distinctly carnal leer. And, let's face it, it ain't often we're looking at a chick's face while she's getting reamed.

WHERE IS THIS HIDDEN GEM? You can see her having her bubble butt breached in Jules Jordan's Pump my Ass Full of Cum and Breast Worship, and sucking a cluster of cocks in Candy Shop's Alone in the Dark 2.

FULL OF GUM!

Alexis Silver

WHO SHE? Alexis is a 28-year-old big-boobed bang babe from the cold north of England, but now working heavily here in the States.

WHY SHOULDN'T SHE STAY UNSUNG? As popular as Brits may be over here, top-heavy girls from Leeds, Yorkshire, don't usually make the porn radar. Well, Alexis has. Maybe it's her 32GG tits. Maybe it's... no, we were right first time. It's the tits. Not that she doesn't fuck like a fiend as well. She hasn't done much at home – yet – but we Yank wankers have seen her raise tit-fucking into an art form, and she's recently turned her hand (so to speak) to anal too. Yup, she's a triple threat.

WHERE IS THIS HIDDEN GEM? Doing it all in Jules Jordan's POV Pervert 8, and wrapping her rack around a rod in Juicy's Thanks for the Mammaries 2.

why shouldn't she stay unsung? We must have seen Harmony in over 100 films before she really started to strike home. Then it hit us – this is one serious porn chick. Lesbian scenes, deep-throat, anal, DP, even balling guys with a strap-on – she does it all. She's like a hotter Jasmine Lynn, but in it for the long haul. And she brilliantly works the camera with those eyes, making her a real ball-emptier in POV and handjob scenes. Yep, this girl and our dicks are in perfect harmony.

Harmony Rose

WHERE IS THIS HIDDEN GEM? Tossing salad (without vinaigrette, strangely) in Evolution Erotica's Ass Eaters Unanimous 3, and pushing herself to the limit with two guys in Anabolic's Cream Plosions.

WHO SHE? The hottest black babe in the biz? This Californian cock-wrangler could just be. Clocking in at 34B-24-34, with over 200 scenes to her name so far, Marie has an impressive résumé.

WHY SHOULDN'T SHE STAY UNSUNG? Vanessa Blue doesn't work so much these days, so we go to Marie (as well as Jada Fire, who nearly made this list) for our fix of black butt. She never disappoints, looking all beautiful and slim even when she's got a couple of dicks buried in her at once. That panther tattoo on her back is pretty appropriate – she pounces at the sight of meat.

WHERE IS THIS HIDDEN GEM? Doubling up on dong in 3rd Degree's Swallow The Leader 3, and doing exactly what you'd expect in Elegant Angel's Please Drill My Ass POV Style 2.

Sophie Dee

WHO SHE? Sophie's a beautiful, blue-eyed Brit who's become a stroking stalwart here in the States, having made something like 180 movies.

WHY SHOULDN'T SHE STAY UNSUNG? Could it be the adorable British gap in her teeth? Or could it be the adorable British gap in her yap which she fills by cramming cocks with indecent hunger? Whether blonde or, more recently, brunette, Sophie makes a virtue out of being slightly chunkier than your average porn drainpipe. She's all woman, and she likes guys who are all cock. She's also unfeasibly enthusiastic on screen, which doesn't hurt, either.

WHERE IS THIS HIDDEN GEM? Getting her pucker poled in Evasive Angles' Big Bubble Butt Anal Sluts, and doing one of her many interracial scenes in Red Light District's Black Dicks in White Chicks 14.

Katja Kassin

of her movies containing the words "ass" or "anal" in the title. Or "butt." Or "dirtpipe." And her cute accent is the icing on the cake.

WHERE IS THIS HIDDEN GEM? Doing bad things in Heatwave's Ass Whores From Planet Squirt 2 (and we thought she was from Germany...) and putting her ass on the line – not for the first or last time – in Digital Playground's Ass Addiction.

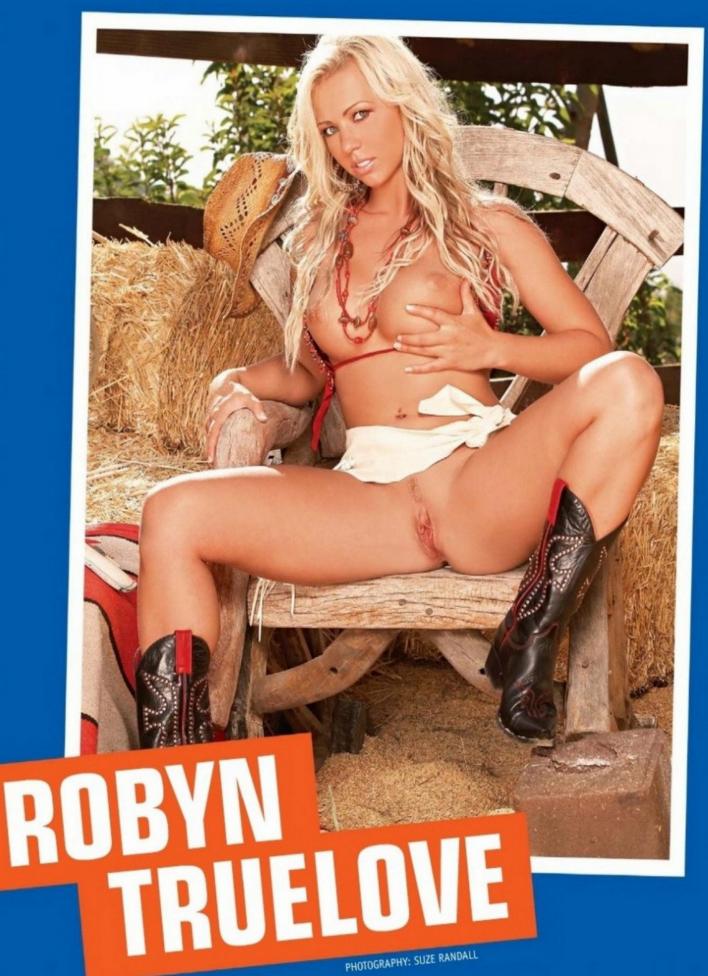

WHO SHE? This 26-year-old blonde cutie from Chicago only started pornin' it up in 2006, but she's just started to make her name right about now. Those 34E tits are helping.

WHY SHOULDN'T SHE STAY UNSUNG? Abbey started out as a pretty but unspectacular lesbian-only artiste. Yeah, they're all well and good, but could she wrangle a cock? Turns out she could do that just fine, and now she does, on a regular basis. Big boobs, blonde hair and a coquettish smile – she's the girl next door, if only the girl next door was a be-hootered porn star.

WHERE IS THIS HIDDEN GEM? Putting her champion chest hams to great use in Brazzers' Big Tits At Work 3 and Elegant Angel's Big Wet Tits 6. You can also see her munching rug in the multi-award-winning Pirates II: Stagnetti's Revenge. Like all these other girls, we don't think she'll be unsung for long.

RED HOT PUSSY

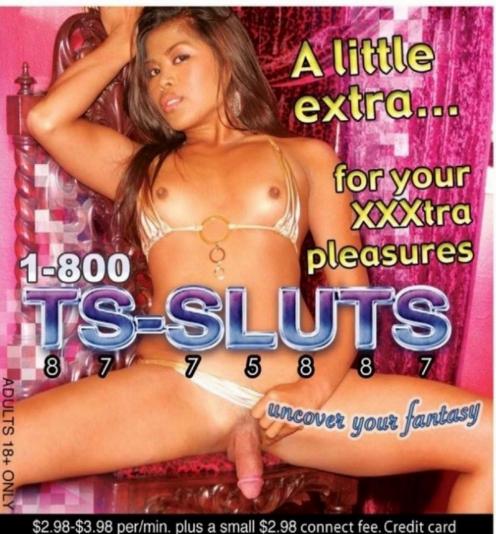

SNATCH SUPPER!

IT'S CHOW TIME FOR A PAIR OF HORNY, CUNNY-HUNGRY HONEYS!

or two lovely ladies, what could be nicer than a suppertime date with good food, fine wine and pleasant conversation? We know what could be nicer – all of the above, plus rampant lesbo sex, aided by an arsenal of sex toys!

It's a vast improvement on the way Jenny and Peaches' evening was originally panning out. The fancy uptown dinner party they'd attended earlier was a flop. Quickly tiring of their other fellow guests - phonies and fakers one and all - the girls had each decided they'd like to get to know the other better one-on-one, in a cozier setting. So they made their excuses and left for Jenny's apartment. You can see how it went from there: "Yeah, baby, you fuck my cunt so good... A much better class of conversation. 🍨

SECLUDED, DENUDED AND SCREWED-ED!

I'm one of those ladies who, when it's a really sunny day, likes to sunbathe wearing as little as possible – and preferably nothing at all. I remember the time that really hot summer a few years back when I was housesitting for my well-heeled friend Amelia. Her spread had a swimming pool out back, surrounded by greenery, hiding it from the neighbors' sight – ideal for nude sunbathing.

On day two, I was sunning myself out there on a towel, naked as a jaybird. With the sweltering sun beating down on my tingling skin, I felt unbelievably horny. Deciding it couldn't hurt to diddle myself, I shut my eyes and started idly playing with my pussy, which felt so delicious. In fact, I got so carried away in lustful languor, I barely registered the sound of approaching footsteps until a shadow flickered the sunlight on my eyelids.

"Oh, pardon me, miss," came a voice, and I came to with a start to see a shirtless Hispanic dude of about 20 standing over

me, holding a large net.

"Uh, Miss Amelia, she no tell me she had a guest," he continued.

Wondering if he could tell how flushed I was with embarrassment beneath my fresh tan, while I scrabbled to cover myself up with the towel, I replied, "And she didn't tell me the pool cleaner was coming by. That's who you are right? Uh, I'll go indoors..." Then, eyeing the pool guy's sweat-dappled torso, a wicked idea occurred to me. "Unless of course..."

"Yes?" he inquired eagerly.

"Tell you what, Mister Pool Guy – fuck the pool. Fuck me!"

Within seconds he tore off what few clothes he had on, and I quickly grabbed his speedily stiffening cock. "That's what I'm talkin' about," I said before giving his plump helmet a few good sucks. But more than anything else I wanted that thing in my pussy. Withdrawing my lips from the pool guy's cock with a loud smacking sound, I said, "Mmm, that's nice. But when a lady tells him to fuck her, a gentleman will do as he's told!"

"You got it, señorita," said the studly servitor, who instantly clambered atop me and thrust his cock deep into my feverish, well-lubricated snatch. The fucking that commenced felt fantastic. The fast slapping sound his sweaty hips made as they pummeled mine made me feel I was in one of the handful of porno movies I'd seen. Right now, I was being every bit as nasty as any one of those porn stars – and I loved it!

Pool Dude slavered at my tits, nibbling my nipples while he continued pistoning my punani. Now sweat was streaming from both our agitated bodies, and I was overcome with a delirium of lust. I'm not sure, but it can't have been long before we were both trembling in a frantic climax.

How wild was that? After that, the both of us needed to cool off in the pool. And after my stay, if Amelia ever noticed that the pool hadn't been cleaned, she never mentioned it.

Bare-ass Babe, Florida.

Thanks, you guys. I was overjoyed to see Sunny Lane all over your May issue, because I'm all over her! That is, I'd very much like to be. I don't go for those manufactured, high-gloss, high-silicone porno types – I prefer my sluts to look like the kind of ordinary chicks you'd check out in the street, and just happen to be supremely sexy. Sunny is all that par excellence. And her first name sums her up perfectly – she's positively bursting with fun and vitality. Man, I'd fuck her till she was dripping spunk from every hole. That's Sunny – she brings out the romantic in me. And she'd bring out a whole lot more if I had my druthers.

So Sunny likes a mix of soft, sensual lovemaking and hard fucking, does she? Then I'm her man. I consider myself a considerate lover, responsive to my partner's needs. I'd treat Sunny to my full range of styles, from one extreme to the other, and all points in between. I'd do my best, at any rate. Although knowing my luck, I'd drop my load as soon as she dropped her laundry.

DVD NEW SENSATIONS

ADDICTED 4

STARRING

Ashlynn Brooke, Jenna Haze, Sasha Grey, Teagan Presley, Nikki Kane, Tommy Gunn, Derrick Pierce, Michael Stefano, Mick Blue

DIRECTOR

Miles Long

You'd be hard pressed to find a cast as star-studded as the one assembled here. It's a "who's who" of porn that includes contract girls, award-winning starlets, and performers of the year.

The stellar footage sets sail with Ashlynn Brooke fucking Tommy Gunn in cowgirl and doggie, well and truly justifying her contract girl status.

That's followed by an alluring view of Sasha Grey deep-throating Derrick Pierce in her now awarded style. She then gets her hairy pussy poked (see this page's top left pic) until trickles of gloss begin to glisten between her legs.

After that display, Jenna Haze and Ashlynn raise the temperature expertly using glass pricks. Lovely Teagan Presley also makes her mark when she gets her pussy stretched by Italian stallion Michael Stefano. The movie's brought to fruition by the sight of Nikki Kane wrapping her beautiful pussy lips around Mick Blue's banger.

EXTRAS

There's also an extensive look at some backstage frolics, a hot bonus romp from the popular series *Cheating Wives Tales*, terrific photos and a drop-down menu letting you pick your favorite positions. It's all good!

ILLICIT BEHAVIOR: COPS GONE BAD!

STARRING

Brooke Scott, Courtney Cummz, Marley Mason, Megan Monroe, Ricki White, Trinity Post, Rock the Icon, Jon Jon, Prince Yahshua

DIRECTOR

Lee G

A movie from Zero Tolerance interracial hardcore offshoot Black Ice, featuring naughty nightstick-wielding female cops copping big black boners? Sounds like a surefire success to us!

Brooke Scott proves her sexual authority when playing tonsil hockey with Rock the Icon's rod, and really comes to life when on her back and taking a licking in missionary position. But it's covergirl Courtney Cummz (center pic) who's far and away the most impressive gal in this production. When paired with Jon Jon, his rough style of sex coupled with her expert moves around his joint make for one hell of a misdemeanor.

Prince Yahshua spreads Marley Mason's legs wide to enter her pussy balls-deep in missionary position (see the top left picture). It isn't until she's flipped over in doggie that we see her finest ass-ets. Just as the smoke's clearing, PY's at it again, this time knocking boots with Megan Monroe, and later with Ricki White. Megan, the naughtier of the two nymphs, decides to fuck with her hat on (top right and bottom pics), making for a sinfully sexy visual. A gorgeous blonde with big juicy tits and a sweet bubble butt, Megan can hardly go wrong.

Trinity Post and Rock The Icon close the show with an all-out battle for anal supremacy which leads to a sticky cum-spraying finale.

This one's an arresting experience!

FXTRAS

The extras are quite sparse, but do include a well-stocked hardcore photo gallery and a cumshot recap option for fans of those sticky finishes.

DVD VOUYER MEDIA

JACK'S GIANT JUGGS

STARRING

Gianna Michaels, Trina Michaels, Claire Dames, Jordan Kingsley, Kali West, Jack Napier

DIRECTOR

Jack Napier

Performer/director Jack Napier has got his finger on the pulse for sure. In his newest series for Vouyer Media, Jack's the only guy in the show, and he gets to go dick-deep in several buxom babes, delivering a product that boob lovers everywhere are sure to treasure.

Gianna Michaels (top pic) begins the show with her monster melons squashed into a naughty French maid outfit. Jack has no qualms about tearing them suckers free for a little titty-sucking session before feeding her fluffy taco plenty of his dark meat. Cooing throughout, Gianna keeps her rack the center of attention, just as it should be.

Trina Michaels shimmies her way into action by lodging Jack's joint deep within her cleavage, lubing it up with plenty of spit. Once it's saturated, she jabs it up her asshole (center pic), then later gets her clit ring rattling with terrific doggie action. Hot!

Jordan Kingsley opts to oil up her juicy cantaloupes, making them utterly irresistible to Jack's insatiable appetite. He succumbs to the oily mounds, banging his cock against them to get his liquid licked up with a mouthwatering blowjob.

Kali West joins the top-heavy line-up by feeding her hungry beaver loads of hot chocolate, while Claire Dames (bottom, apropriately) steals the show when Jack decides to set up camp in her asshole. Wow!

EXTRAS

Get a glimpse of backstage action, and additional footage with hot clips from the cutting room floor. Also present are a stills gallery as expansive as the beautiful boobs on display, and trailers to whet your appetite for new releases.

VIVID ENTERTAINMENT KING COBRA

STARRING

Lanny Barby, Sasha Grey, Chapel Waste, Lela Star, Jade Starr, Page Morgan, Roxy Deville, Shannon Kelly, Brian Surewood, Sledge Hammer, Marty Romano, Christian

DIRECTOR

Jack The Zipper

darker style of adult cinema comes to life here in director Jack The Zipper's radical departure from the usual Vivid fare. In it, Page Morgan gets ravaged by a band of raunchy bikers led by Lanny Barby. In a seedy motel, an all-out orgy ensues that has Marty Romano treating Chapel Waste like the punk rock slut she is by pulling on her tattooed tits and plowing her pussy. Amidst the chaotic mess of debauchery, Lanny can be found between Page's legs while Brian Surewood gives her pussy a greasy ride. Sasha Grey later joins the devilish crowd, donning a wickedly weird donkey mask (top pics) that ultimately gets covered in drool after she's treated this guy Christian to a spit-drenched blowjob. It's hard to keep track of the partner swapping, although images of Sasha getting her ass plowed dominate the screen.

In an unrelated scene, Page gets a kinder dose of lady love when Jade Starr and Chapel come out to play, but gets put through the wringer once again when Sledge Hammer fucks her hard in his chop shop.

Another crazy orgy starring Lela Star, Shannon Kelly, Roxy Deville, Page and a bunch of delinquent dudes makes this movie one that audiences won't soon forget.

EXTRAS

It's a shame that the quality of the production images doesn't match the intense power and provocative edge as the feature itself, but you'll forgive that oversight once the six bonus scenes make their way to the screen. The behind-the-scenes footage will also float your boat, as will the slew of upcoming releases that are ready for the picking.

DVD PINK VISUAL

MONSTER COCK JUNKIES 2

STARRING

Jaylynn Sinns, Lindsey, Ashley Nykole, Kathy, Heather Gables, Sylvio Mata, Billy Banks, Justin Long, Byron Long, Shane Diesel, Randy Rodman, Jason Brown, Sledge Hammer

DIRECTOR

uncredited

Perfect for fans of interracial, no-frills fucking, this latest release from Pink Visual matches up slender white chicks with colossal chocolate-colored cocks.

Cover girl Jaylynn Sinns is one such girl who, in a game of tattoo show 'n' tell, takes on not just one big black dick but two (center pic)! Next, images of Sledge Hammer and Jason Brown rearranging blonde Lindsey's hole fill the screen (top right). Although the actual sex is good, it's still not quite as enjoyable as the sight of her mouth being stretched out in one of the guys' attempt to inspect her, uh, heart!

Ashley Nykole takes her turn with two choc bars by allowing the men to stuff both of her holes with more cock than any one girl should be allowed! The result is a twisted mess of white and brown meat, sprinkled with loads of creamy sauce.

Kathy takes the prize for greediest slut in show by practically dislocating her jaw to take in the mammoth cocks of Shane Diesel then Randy Rodman, while lovely Heather Gables (top left and bottom) is the recipient of the same black-on-white love that's been bestowed upon the other ladies.

Racial harmony? This one has it!

EXTRAS

Watching the girls tease and strip with inviting dance moves is a welcome extra, but not as exciting as the bonus scene from *Gangbang Squad* that shows Chelsie Rae gamely taking on some sizable cocks with a smile. The backstage coverage is also quite good, and the trailers for more racy titles are comparable in quality to the featured attraction.

DVD CLUB JENNA

SOPHIA ROYALE

STARRING

Sophia Rossi, Nadia Styles, Kasey Kroft, Sativa Rose, Moni Michaels, Justice, Erik Everhard, Tommy Gunn, Steven French

DIRECTOR

Laurent Sky

atch Sophia Rossi (top right and bottom) and her legion of lusty ladies take it to the next level with five highly styled and visually appealing vignettes that are perfectly executed for fans of high-end sex.

Sophia begins her play on a craps table, getting expertly stuffed and coddled by Erik Everhard while valiantly trying to avoid getting the scattered chips stuck in her nether regions. Following that, Nadia Styles (top left) is all latex and lace when she lures Tommy Gunn into her sex dungeon to take his pistol up her pucker in several hot positions, including a reverse cowgirl spread on top of an electric chair – natch!

Another insatiable butt-slut, Kasey Kroft, gets her bum filled with bone when she decides to forgo Steven French's close shave in lieu of a hot anal pounding atop her barber chair.

Sativa Rose can also be counted on to give up her ass when she opens up wide for Justice's anal inspection (center). She goes home with plenty of milky protein to keep her going for another day.

In the end, Sophia closes the show as perfectly as it had begun by barreling down on Moni Michael's muff with toy and tongue, adding plenty of tit collision throughout.

EXTRAS

Director Laurent Sky goes out of his way to include a first-rate photo gallery spread with glossy images worthy of a centerfold layout! They're backed up by a slew of trailers for high-quality releases to come, and quirky behind-the-scenes antics that show the ladies in an even more adorable light than hitherto.

STUFF!

KEISTER THE KINGDOM!

I'm an ass man – arguably the ass man. Give me a chick with a firm, pneumatic butt, and I'll bang that can till the cows come home. I like a little cushion in my pushin' – as an old college buddy of mine used to say. Ella, this chick I picked up at my local bar a few weekends ago, was just such a babe. She had ass for days, and I had wood to match.

Ella was one of those slim-waisted chicks whose bubble butt looked like it had somehow been borrowed from a larger lady - which to me is perfection. But to be honest, I hadn't actually noticed that until we were back at my place. While Ella went to the bathroom to clean up, I stripped and lay on the bed. Ella came back to my bedroom wearing just her T-shirt, which only just covered her pussy, and when she lay beside me on the bed, that T-shirt rode up to expose her bountiful booty, which I lovingly caressed as we passionately kissed. I felt velvety-soft skin, then, squeezing harder, the taut, firm flesh beneath it. That instantly inflamed me, and when we fucked, it was hot and furious. We writhed around in sexual frenzy - one minute I was on top of her, and the next it was the other way around. But whichever way we did it, I always had a hand grasping one of her buttocks. Poke and grope, poke and grope that's my preferred style, and I rocked it like a master on this occasion. Some chicks I think find it just a bit too intense, but Ella was up for it all the way. This one liked it rough for sure, which is why I thought it worth delaying my climax as long as I could.

Ella's gasps had taken the form of actual words for a good thirty seconds before I could make them out. Those words were: "Got any lube, babe?"

Thinking she needed her gash greasing, I said yes, then broke off to retrieve a tube of lubricating jelly from my bedside cabinet. As soon as I had that in my hand, Ella removed my cock from her cunt, and rolled over onto her belly. Understanding that I was to lube up her caboose for anal sex, I hurriedly slathered lots of jelly all over my cock and Ella's buns, before carefully nudging my dick into her tight, warm brown eye. "Aaaah," she exhaled. Satisfied that she could take all I could give her, I got down to righteously fucking her butt; my

I truly believe heaven resides between Alexis Texas' plentiful asscheeks! I'd love to lie down and have that big ol' butt squatting on top of my face (I believe the practice is known as "queening"). So firm and rounded, Alexis has arguably the finest pair of buns in Planet Porn, and they'd look even more delicious gleaming with a fresh coat of my saliva. Or, indeed, my spunk. Yes, I'd get around to that sooner or later, you need have no doubts on that score. Well, it would be an awful shame to get that close to an ass as magnificent as Alexis' and not give it a good fucking, right? It would be see great to watch those buns jiggle as I churned her tight hole. I could even do it in piledriver, pounding her from above while I finger her clit. I'm certain that would make her cum – it sure would me!

Tex-Ass Ranger, Pennsylvania.

lubricated thrusts into Ella's ass making a gratifying rhythmic squelching sound. I noticed the fingers of one of Ella's hands working away at her pussy beneath her as I solidly pumped her cornhole. I couldn't say for sure how long it was before we both

simultaneously climaxed, our bodies thrashing around, but it was as much sexual bliss as I could take before I bust a nut in my slut's butt. As you can tell, I'm pretty serious about the ass.

A DATE WITH Destiny!

Dear Club International,

"Tonight's the night," I mused as I pulled on the pair of fancy panties Julian had given me for my birthday. Tonight I would accept nothing less than a thorough drilling from Julian's manhood, I vowed, as I slipped something special into my handbag.

Julian and I had been dating nearly two months and we still hadn't had full penetrative sex. Initially, I'd been reassured by Julian's gentlemanly ways, but now I was getting desperate. No more frustrated fumblings my cunt was craving cock. "I want you inside me," I'd whispered on our last date, before slipping down onto my knees. There was no room for misunderstanding as his throbbing boner promptly filled my mouth with protein.

Eventually Julian invited me to his apartment, an upscale affair complete with its own bar area. The evening was electric with sexual apprehension, and a bottle of wine later we were in each other's arms again, kissing and caressing, him groping my butt, me feeling

see how I punish myself for liking big cock?" I slurred like a total slut as I perched myself on a stool at the bar, letting my little black dress ride up my thighs until the crotch of my transparent black panties was visible. I stroked my mound, and looking closely, I'm sure Julian could probably make out a damp patch already forming on the sheer mesh of my crotch.

"I've got something special here – something that always makes me think of your awesome cock," I purred as I reached into my handbag. Then I pulled out the dick-shaped vibrator I'd brought along.

Julian's pecker stood to attention as I waved that vibe in front of his face. "Show me, babe," he panted, his hard-on in his hand. I groaned as soon as my clit felt the vibrations, then I tugged my sticky panties aside and let Julian watch me work my pussy.

My juices trickled down my thighs as I slammed the pink monster into my snatch. "Fuck me," I moaned. "You're so big and hard, stick it in me – stuff your cock up my tight, wet pussy!" Unable to resist any longer, Julian dove between my spread-eagled thighs, burying his snout in my dripping muff. His tongue

"FUCK ME, YOU'RE SO BIG AND HARD, STICK IT IN ME - STUFF YOUR COCK UP MY TIGHT, WET PUSSY!"

his stiffness, as I drooled seduction into his ear. "I'm so horny – I so want you to do it to me! I get so wet thinking about it! Do you know what I do when I can't stop thinking about your big stiff dick?" I was unstoppably brazen.

Julian let out a groan as I unzipped his pants. I was now tipsy enough to actually go ahead with my special surprise. "Want to

strummed my clit until I was gushing.

"Fuck me," I pleaded.
Then we staggered to the bedroom. On the bed, Julian was hard in my mouth. I gobbled his taut helmet as he fondled my nipples, then he grabbed me by the hair, helping me deep-throat him until I was almost gagging on his solid shaft. Then when there was nowhere left to go, he turned me

around, and I felt his firm hands spread my ass as he slid his cockhead between my pussy lips. With a single thrust his schlong filled me to the hilt. "Oh yeah, babe - you like to be fucked from behind like a dog?" he snarled, his bone pistoning back and forth, my booty slapping against his belly.

"Hell yeah!" I replied. "C'mon, fuck me hard..." I whimpered, clawing at my engorged clit as my climax began to rise deep within my pelvis.

Then, suddenly, "Holy shit, fuck my dirty fucking cunt! Give me your spunk!" I howled as Julian's organ ignited my orgasm. And as I trembled in climactic pleasure I felt his prick jerk inside me, and with a grunt he slid out of my poontang.

"You want my spunk, babe?" he growled. "Where do you want it?"

"Over my tits, honey," I gasped, pushing my boobs together ready for the imminent creamy shower. I just love to have a big hard cock spurt wad after wad of thick, hot jizz all over my titties - and that's exactly what I got!

This was our first full-on fuck, and while it might not have been as romantic as I'd anticipated, Julian certainly proved himself a consummate cocksman. He even let me stay the night, and in the morning I sucked him hard again and rode his pole cowgirl-style until he spunked inside me for the first time. But it wasn't to be the last.

Vibro Vixen, Washington,

Dear Club International,

"Come on over to my place, girlfriend - like now!" It was my close friend Josie on the phone, and she definitely had something horny in mind. I've been the beneficiary of many of her sexual set-ups before, and sure enough, that's how it would prove to be this time as well.

As I'm trusted with my own key, I let myself into Josie's apartment, to be greeted by the sound of her moaning and groaning ecstatically. Figuring she must be she-bopping herself with a dildo, I decided to strip in the hallway, and walk in naked to give her a helping hand - or tongue. To my surprise she wasn't banging herself with a fake dick - in fact, she had the real thing wedged deep down her throat, with a real-life man attached, and she was sucking the hell out of it.

"Why, you nasty bitch!" I exclaimed.

Josie looked up at me, winking. The guy said, "Don't just stand there, honey, join us."

"My name's Chrissie, not honey," I replied. "But I'll sure take you up on that offer, big boy."

'My name's Ted and, yes, I have been blessed, haven't I?" he fired back at me with a wry grin all over his face.

Joining Josie and Ted on the sofa, I planted my already juicy cooze on Ted's face. He immediately started lapping away at my slit, which prevented him from groaning as Josie gobbled his dick. She obviously didn't want him blowing his wad in her mouth, so after we'd made Ted the man-meat in a babe sandwich for about five minutes, Josie pulled her head off his boner and said, "You stay where you are, Chrissie, while I pound Ted's pole some."

Josie rode him deep and slow at first, making sure Ted was enjoying every second. He loved it so

much he started squirming beneath my pussy as I ground it hard onto his mouth, coating it in cooze cream. letting Ted know that I wanted him to fuck me as hard and fast as he'd ever fucked anyone in his life. Oh yes, I was a bitch in

I WANTED TED TO FUCK ME AS HARD AND FAST AS HE'D EVER FUCKED ANYONE IN HIS LIFE

"Unless you're in a hurry to get a snatch full of spunk, I suggest you quit what you're doing immediately, girlfriend," I suggested to Josie.

She complied, climbed off Ted's hard-on and tipped me off his face so that she could get a taste of my cunny honey. As Josie licked my punani, Ted crawled behind her and started lapping away at hers. Both Josie and I were moaning and groaning like crazy, which told me that there was every chance that she was as close to cumming as I was. Very close indeed, and seconds later we both climaxed simultaneously, each of us with a squirt -I coated Josie's lips and she splattered Ted's.

We lay squashed up on the sofa for a few minutes to get our breath back, then Josie said, "Okay, Ted, it's time to really show our guest what you're made of."

Ted said nothing, but grabbed his dick by the base of its shaft and started waving it in front of me. Josie rolled off the sofa so that he could get to grips with me. Lying on my front with my cunt and ass in the air, I said, "So, Ted – think you can impress me?"

"Think? I know it," he replied with a leer, rubbing the head of his cock along the slit of my snatch.

"Aw, quit fucking around and fuck me!" I barked.

Taking my advice, Ted slammed his pole inside me to the max. I ground back against him so that his balls slapped against my shaven cunt – my unsubtle way of heat for sure. Ted grabbed me by the hips and started relentlessly slamming me on and off his boner, which felt fucking awesome.

As Ted pumped me with his monster prick, Josie suddenly grabbed me by the hair, then slid herself beneath me so that I was able to chow down on her cunt. To say I was in sex heaven would be an understatement. It felt like high-voltage electricity was coursing through my nerve endings and I knew I couldn't take much more of Ted's cock treatment. By that I mean I knew I was mere moments away from another orgasm, as I hoped he was too. Ted suddenly howled "Yesss!" then spewed a load of cock custard in my cunt. I came a split-second later, as Josie's pussy juices filled my mouth.

BROWN Dawn!

Dear Club International,

The other evening I was at a party with a few college friends, and after a few drinks we all got talking about our unfulfilled sexual fantasies. Most were pretty run of the mill until it came to Bernice. She's somewhat of a wallflower. so it was a surprise when she blushingly revealed that she'd always wanted to try anal sex, but all the guys she'd dated had thought she wasn't that kind of girl. Everybody whooped at that, and then again even louder when it came to my turn, and I confessed that I'd always wanted to fuck a chick in the ass, but none of my girlfriends had ever consented to it.

As everyone cracked up laughing, I started seeing Bernice in a whole different light. Perhaps it was partly down to the beer, but in her own understated way she now actually seemed quite a babe. How come I'd never noticed before? And had this whole thing been set up? All these questions and more I suppressed in the time-honored manner —

with more beer. Bernice too was throwing down the brews, in an attempt to calm her nerves, it seemed to me. I smiled over at her. She smiled back, then coyly cast down her eyes. Seizing my opportunity, I went over to join her. "So," I said portentously...

A few hours later I was in a taxi with Bernice on the way back to her apartment, fooling around and all that stuff. Once at her place, things quickly took a more serious turn. Right away we were kissing fumbling and groping, and tearing off

BERNICE TURNED OUT TO HAVE A FANTASTIC BODY, WITH A FINE, FIRM, FUCKABLE BUBBLE BUTT

each other's clothes. Mousey little Bernice turned out to have a fantastic body, with a fine, firm bubble butt. A very fuckable butt, which I followed down the hallway into Bernice's living room, where, emboldened by the booze, she pushed me onto a couch. Scrambling on top

of me reverse-cowgirl style, she then jammed her head onto my stiff dick, and proceeded to give me an awesomely sloppy blowjob. Bernice! Who knew? And with her silky pink snatch hovering mere inches above my face, what could I do but slaver at it like a

man possessed. Hell, if I could, I would have stuck my head inside that delicious poon - I certainly gave it my best shot. I was loving it so much, I was even a little disappointed when after a while Bernice hopped off onto the floor.

"Round two," she said to me. "The main event!"

Suddenly I wasn't disappointed anymore, because I knew what that meant. I scooched over to let Bernice back onto the couch, where she got on all fours facing away from me, resting her elbows on the couch's arm. I was looking right into the small brown eye of that sweet plump ass, where I felt my cock rightly belonged. And that's where it was headed, no matter how small the entrance might be.

I spat into my hand, and rubbed my spit over my bulging cockhead. I lined my helmet up against Bernice's puckered asshole, and with a series of short stabbing motions, my cock made its way inside. That felt so good! Bernice was super-tight, and she rubbed her clit and wiggled her ass as I pumped it as hard as I dared. Which is to say, not very much. I was being

handed butt sex on a platter without having to beg for it, and I knew better than to blow it by going hell for leather right from the bell. So I took things carefully at first. But when Bernice started pushing back against me, I realized she wanted it harder, so I moved up a gear. Now, I'm not one to brag, so you'd better believe me when I tell you that I fucked Bernice's butt but good! Before long her ass was shimmying so much, it felt almost as though she was spinning around the axle of my pistoning shaft. Like my dick was the center of her sensory universe. Who knew anal sex could be this good?

As Bernice's gasps told me she was about to nut, I started cumming too, and pulled out my dick to pop my gloop over her booty. Watching the stuff run down her sweaty ass crack and over her puffy pussy lips, I was immersed in the utmost sexual satisfaction. And when Bernice's rhythmic sighs eventually died away, she murmured, "Mmm, let's do that again sometime."

That sometime is tonight. I'm out of here! Ass Initiate, Indiana.

Dear Club International, Last summer I had the hottest vacation of my life - and I mean hot in both senses of the word! It was hot because we had beautiful sunshine in the Mediterranean, and also because I had the most amazing lesbian sex while I was there!

Having recently lost my job, I'd received a good severance package, so I'd decided to cheer myself up with a wonderful vacation in the sun. I found a great deal on a few days in Malta, and off I went.

The hotel I was supposed to be staying at had overbooked, and so I was offered alternative accommodation. That's how I came to be rehoused in a magnificent villa all to myself - at least at first.

The first day or two, I just chilled. With no one around, I took the chance to get an all-over tan. It was after lunch on the second day, as I napped in the heat on a sun lounger with everything on show, that I was woken up by the sound of gentle footsteps. I opened my eyes to see a stunning blonde, blushing bright red as she realized I was naked, and sun-kissed brown all the way down.

Her name was Annika, and she was a Swede, so her blonde hair was natural, as I later discovered. After her initial embarrassment, she laughed and explained she'd been sent by the hotel, and they'd put us together as the villa had two bedrooms. Well, it turned out we only used one...

While Annika briefly went to put her stuff indoors, I took the time to put a robe on. On returning to enjoy the sun, Annika looked disappointed, and told me not to cover up on her part. In her sexy accent she said it was a shame to conceal my gorgeous body, so I tossed the robe aside. Smiling, Annika removed her own bikini, and asked me if I'd rub her sun cream on. I've never ogled another woman's boobs before, but this was something very special. I knew then that this was going to be a different vacation to the one I'd planned.

I squirted the cold cream onto Annika's back, making her shriek, then gently rubbed it into her soft, fair skin. As I rubbed, she turned over, and before I

knew it I had my hands on her fabulous knockers. Well, they needed sun cream too, I thought!

The tiled patio we were on, next to the pool, was surrounded by lush vegetation, and as we were unlikely to be seen by anyone, we both went for it. I kissed her, pushing my tongue between her full lips, squeezing her firm tits with both hands, and loving the feel of her skin against mine. That felt almost enough alone to make me cum, given time.

Annika's tongue then explored my mouth, and her fingertips made me gasp as she ran them over the insides of my thighs. Truth be told, I think I'd been ready for her fingers since I picked up the sun cream, and sure enough,

DIRTY WORDS

is she slid two in with no resistance as I straddled her sun lounger and opened my cunt wide. Leaning forward, she was able to suck my nipples as she finger-fucked me. She eventually worked three fingers in, and curved them up toward my

ANNIKA OPENED UP NICELY FOR ME. I FUCKED HER AS I FLICKED MY TONGUE OVER HER CLITORIS

bellybutton, looking for my G-spot. When she found it, oh my! Any neighbors might not have been able to see us, but I bet they could hear my orgasmic cries! I rattled off three climaxes in quick succession until I could take no more.

Easing myself off Annika's hand, I rubbed the sun cream off her breasts before sucking her nipples and easing her cooze lips apart to take two of my fingers, which I'd made into a pistol shape. Annika opened up nicely for me. I fucked her as I flicked my tongue lazily over her clitoris. She had a good-sized clit, which I sucked between my lips, forcing more blood into it to make it hyper-sensitive.

She loved that, of course, and squirted cooze juice all over my lips when she came. I'd never been with a squirter before – hell, I'd never even been with a woman before! – and this was a real treat for me.

The rest of the vacation just flew by as the two of us explored each other's body – and we've both already booked for next year, too!

Finger-Lickin' Good,

HOTEL Humpin'!

Dear Club International,

They say that gentlemen prefer blondes – but I say screw that and bring on the redheads. Not that I've ever considered myself to be the gentleman type, anyway. Pure thoroughbred horndog, that's me!

On a recent business trip to New York I met an auburn-haired babe who, while she was one hundred percent uptown, also turned out to be the nastiest bitch I've ever encountered in my life. We met at a swanky bar for swingers - she was sitting in a half-lit booth evidently scanning the room for her likely next fuck, and I was perched at the bar doing exactly the same. I made damn sure that when she looked in my direction, she'd see me staring straight back at her. At the moment it happened, I raised my glass and nodded. When she reciprocated my nod I took it as a signal that I'd be dipping my dick in her sweet cooze sooner or later.

I walked over to her, my cock getting harder with each step, and was greeted with, "So, stud - my place or yours?" Sooner, then.

"As my hotel is within walking distance and I need to fuck you senseless as soon as humanly possible, then I'd say mine, baby," I answered.

To which the lady replied, "Spoken like the horny bastard I took you for. Lead on."

At the hotel, within a minute of walking through the door, Red propped herself up against the glass-bricked wall that separated the bedroom from the bathroom and began tearing off her clothes. Having watched every sexy second, the instant she'd shimmied out of her panties, I was out of my own clothes in a flash. In a swift, fluid motion, I pinned

I SHOT MY SPUNK INSIDE RED'S TIGHT COOZE, THEN SHE STARTED SHAKING, LOST IN HER OWN ORGASM

Red against the wall, pulled her legs up around my waist and slid my boner inside her juicy pussy. Damn, I'm good! Gasping loudly, Red tightened her grip on my shoulders to the point where her nails dug into my flesh. But I felt no pain. Pumping relentlessly, all I could think about was the glorious feeling of the cunt wrapped around my cock. I'd aimed to cum quickly the

first time, whether Red did or not, then go for a slow comfortable screw in round two. My plan panned out perfectly, and after no longer than a couple of minutes I started to feel the sap rising in my schlong. As I shot my spunk deep inside Red's super-tight cooze, her body momentarily stiffened, then she started shaking, lost in her own orgasm.

I slowly lowered Red off the wall and dragged her onto the bed. "Make like a dog, bitch, and get on all fours!" I said sternly.

She obeyed me immediately. And she even surprised me by taking things a step further, and yapping and growling like a dog. I laughed out loud and said, "Quit with the canine chorus, or I'll lose my bone!"

Red did as I asked, then reached between her legs and started finger-fucking her cunt. Juices oozed between her digits and ran down the insides of her thighs. I lapped at them, then quickly rimmed her cornhole before ramming two fingers where the sun don't shine. Red's brown eye received them with ease, and her ass muscles started spasming on and off them.

As Red upped the speed of the digits plowing her pussy, I did the same with the ones in her heinie. She started panting louder and faster, a sure sign that she was about to blow. Then, a few seconds later, she let out a howl and pulled her fingers from her snatch, allowing a thick stream of cunt ejaculate to shoot from her slit and splatter my chest.

Wow. Red was still quivering when I pulled my fingers from her booty and rolled her over onto her back. Parting her legs, I pulled her towards me. Then I drove my throbbing cock deep into her slick, sodden snatch. Red crossed her legs around my back to hold me deep inside her, but not so tightly that I couldn't fuck her hard. I increased the speed and ferocity of my thrusts, and it wasn't long before the pair of us were thrashing around in a blur of sweat, spunk and cooze cream as we simultaneously came me spurting all over her heaving hooters. Here's something for the serious sex toy enthusiast. It's the Caesar 2.0 Love Machine, from Topco Sales, and it gets the thumbs up from both yours truly and my significant other Ulrich. Yes, both of us, because it can be used by ladies and man-creatures alike - simultaneously, even, should they so desire! The Caesar is an adjustable aluminum device equipped with a seven-inch dildo attachment for women, and a vaginal masturbator add-on for men. Both of these accessories are made from this highly realistic CyberSkin® stuff that's firm yet pliant - just like human flesh! And they vibrate, powered by a whisper-quiet motor that pumps at any speed you like up to 130 times a minute. That's fast, believe me. The fact that this orgasmo-gizmo takes up a lot of floor space is but a minor drawback compared with the jollies it guarantees the user. You can't get hold of this piece of kit that easily, but a peek at www.topcosales.us will put prospective purchasers on the path. So go ahead – get connected and get off!

Ladies, you'll simply freak for the Venus Penis, from California Exotic Novelties! BANGED BEFORE BEDTIME!

CHOOSE COOZE OVER SNOOZE, AND YOU TOO CAN LOSE YOUR BLUES!

ired? They were! That was all of two minutes ago, when loving couple Candy and Neeo were about to turn in for the night. Naturally, that made them think of bed, and that in turn put other thoughts into their minds. Thoughts of a distinctly sexual nature, as these pictures attest. And so urgently sexual, in fact, that they don't even make it upstairs to bed, and have to "do the show right here." Neeo's desperate to sink his cock in Candy's creamy cunt, and she can't wait to feel it pumping away inside her. But neither of them want to cum right away – that would be a careless waste of a fantastic fuck. And so Candy and Neeo keep right on a-balling before the sandman comes a-calling.
